# Barts **Bio**Resource

## August 2018 Newsletter

# Information

*Bart's BioResource (BBR) news and views* is a monthly newsletter that showcases our research recruitment for the different layers of consent (data, biosamples, tissue donation  $\pm$  future contact) and our key locations where consenting currently takes place.

The *BBR* newsletter shares information on new sub project developments and also provides patient and staff feedbacks relevant to our research project.

The *BBR* can often support disease specific research projects and questions. If you would like to find out more or have any comments on this newsletter, please contact [maudrian.burton@bartshealth.nhs.uk](mailto:maudrian.burton@bartshealth.nhs.uk)

Access to the project can be obtained by completing the below link
