Barts **Bio**Resource

October 2018 Newsletter

Information

Bart's BioResource (BBR) news and views is a monthly newsletter that showcases our research recruitment for the different layers of consent (data, biosamples, tissue donation \pm future contact) and our key locations where consenting currently takes place.

The *BBR* newsletter shares information on new sub project developments and also provides patient and staff feedbacks relevant to our research project.

The *BBR* can often support disease specific research projects and questions. If you would like to find out more or have any comments on this newsletter, please contact maudrian.burton@bartshealth.nhs.uk

Access to the project can be obtained by completing the below link

Patient Feedback

“As a senior nurse, I have no problems helping research”

Anonymous participant

“I am on a study at the moment, so don’t want to be on more studies”.

Anonymous participant

“I am happy to donate some tissue, I don’t need it. I’m glad it’s going to be put to good use”.

Anonymous participant

Staff Feedback

“I think the Barts BioResource is a great Idea for research”

Anonymous staff

“How do I join Barts BioResource, and how do I get more information?”.

Anonymous staff

“Thank you for helping us when we are so busy”.

Anonymous staff

“There won't be any more developments without research”.

Anonymous staff

Cumulative Recruitment

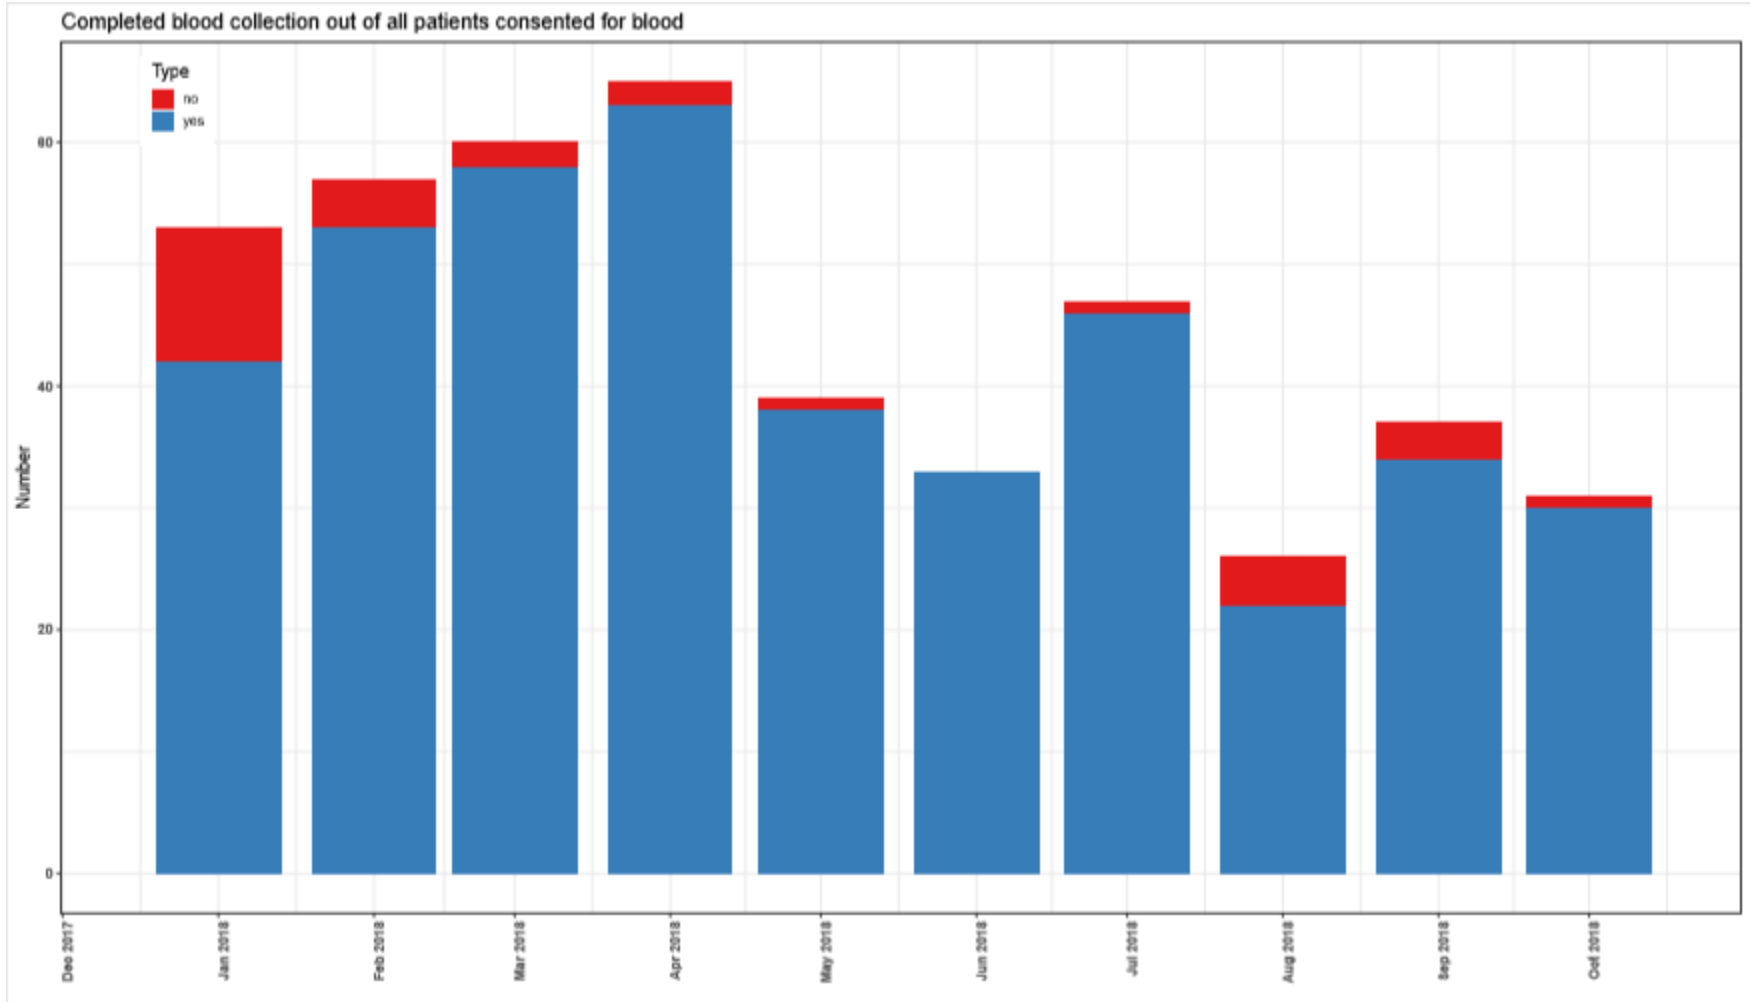

Barts BioResource cumulative recruitment
Total consent N = 18711; Total re-consent N = 1504

Recruitment to Respective Stratum

Proportion of Blood Sample Collection

Proportion of Tissue Sample Collection

Barts Health
NHS Trust

Completed tissue collection out of all patients consented for tissue
