Tissue Bank reference: 12199

Protocol Version:10.0

Date: 8th April 2020

CONSULTEE Declaration Form

Donation of Health Data and Sample(s) to the Barts BioResource.

The study has been explained to me by:

Prof/Dr/Mr/Mrs/Ms _____

CONSULTEES should complete the whole of this form themselves.

Please initial each box as appropriate	YES	NO
I confirm that I have read and understand Barts BioResource Patient Information Sheet (Barts BioResource Health Data and Sample(s) donation (such as blood/saliva/swabs/urine/faeces and/or tissue sample), v10.0; Dated 8 th April 2020 for the above study.		
I [name of consultee] have been consulted about [name of potential participant]'s participation in this research project. I have had the opportunity to ask questions about the study and understand what is involved.		
In my opinion he/she would have no objection to taking part in the above study.		
I understand that I can request he/she is withdrawn from the study at any time, without giving any reason and without his/her care or legal rights being affected.		

|

Please initial each box as appropriate	YES	NO
I understand that relevant sections of his/her care record and data collected during the study may be looked at by responsible individuals from [name of sponsor and/or host organisation] or from regulatory authorities, where it is relevant to their taking part in this research.		
I agree to their GP or other care professional being informed of their participation in the study		
I am uncomfortable to give this "Advice" and I there a nominated consultee i.e. a medical professional who is independent of the study can do so.		

I confirm I have read and understood this form and the attached information sheet entitled Barts BioResource Patient Information Sheet (Health Data and Sample(s) donation (such as Blood/saliva/swabs, urine, faeces and/or tissue sample), v10.0; Dated 8th April 2020. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.
